

# PROJECT MANAGEMENT

## BACKGROUND

Ditiropele is a top company offering project management services to various industries in South Africa. Our project managers pride themselves in being accountable for accomplishing the stated project objectives.

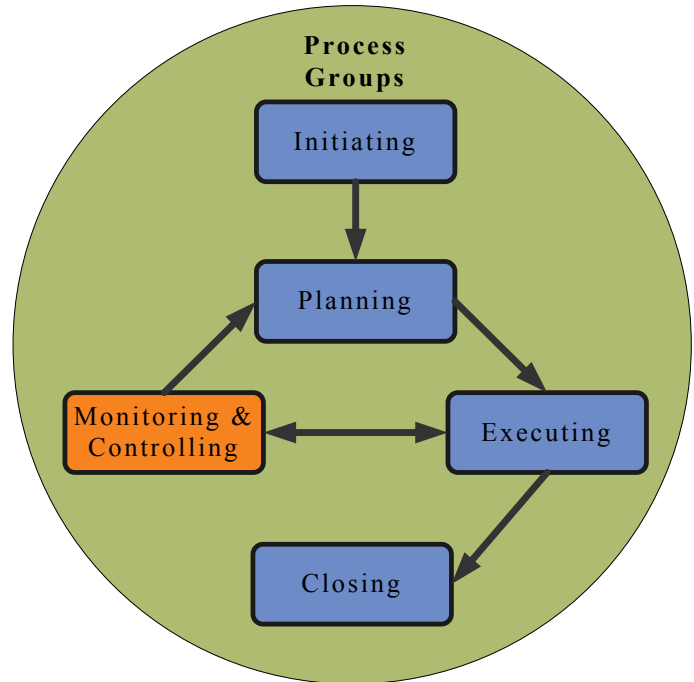

## KEY RESPONSIBILITIES

- Creating clear and attainable project objectives.
- Building the project requirements.
- Managing the triple constraint for projects, which is cost, time, and scope; while ensuring that safety is taken into account.
- Provides the latest data on costs and interactive systems utilized during the project planning phase.
- Handle complex multifaceted projects through support and partnership with Bosch Projects, a leading South African company in the utilities industry.

## OUR SERVICES

- Project Planning and Design
- Project Monitoring and Controls
- Project Execution
- Project Control Systems
- Project and Contract Closure

## NAWALA DESIGN AFFILIATION

Nawala Design is one of our partners. They are best described as the ultimate paint solution provider for your home or business environment.

Established in Germany, 1995, they provide Punctuality, Creativity, Performance and Outstanding quality with the experience of working on over 180 projects.

Joint services offerings are available from Ditiropele offices and available to the greater Gauteng region.
